

DID YOU KNOW?

Young women facing unplanned pregnancy have a difficult time finding options to support her decision to parent. She is left alone to support herself and experience financial limitations, eliminating her sense of having choices. At Nehemiah House we offer a healthy home environment to live out her pregnancy and welcome baby wrapping them with support, compassion and community.

WAYS TO GIVE

A one-time gift or monthly giving online @ donate@ma-fuse.org

Volunteer and encourage young women and their babies by being part of the solution- using your time and resources to impact lives.
